2023

AC/DC & DC/DC Power Solutions

Enedo

Best in class LED drivers, AC/DC power supplies, medical power supplies and modular configurable AC/DC power solutions.

MEAN WELL USA

AC/DC power supplies, all form factors from 5W to 18KW, energy star compliant desktop and wall mount adapters, DIN-rail, medical, DC/DC converters, and DC/AC inverters.

MINMAX POWER

Isolated DC/DC converters from 1W-50W, high isolation, medical high power density, high efficiency AC/DC power modules, board mount and chassis.

NetPower Technologies

Standard brick footprint DC/DC converters, DOSA compatible point of load converters, and custom devices.

Phihong

External adapters, power supplies, LED drivers, medical power, and power-over-ethernet.

Additional Power Related Products

EMI/EMC Noise Filters

Okaya

Wide range of electrical noise and surge suppression components.

Cable Assemblies & Power Cords

LINVOX Corp.

Provides standard and custom power cords with worldwide safety certificates.

Thermal Management

Mechatronics

AC and DC axial fans, blowers, motorized impellers, value-added assemblies, and cooling solutions.

YS Tech

Products based on hundreds of their own patents and core technologies; AC and DC axial fans, blowers, and cross flow fans.

Power Supply Components

High-Performance Passive Components

Knowles Capacitors (Novacap)

Multilayer ceramic capacitor (MLC) products from 0402 surface mount capacitors to 10kV high-voltage units.

Okaya

Wide range of electrical noise and surge suppression components.

Knowles Capacitors (Syfer Technology Limited)

Application specific multilayer ceramic capacitors and EMI suppression filters.

Magnetics

Precision

Standard and custom magnetic components and assemblies, including transformers, coils, chokes and inductors.

Renco Electronics

Custom and standard transformers, inductors, chokes, coils, and subassemblies for many applications.

Fuses & Breakers

AEM Components

Surface mount protective and inductive electronic components for circuit protection and EMI signal filtering.

Terminals & Connectors

Amphenol LTW

Waterproof interconnects from IP65 to IP69K for rugged & harsh environment applications including LED lighting & signage.

Semiconductors

Electronic Devices (EDI)

Bridges, low and high voltage rectifiers, high voltage fast recovery diodes and high voltage assemblies.

Indication

Okaya

A wide range of standard and custom LCD modules and display technologies with highly accurate touch panel technology.

Visual Communications (VCC)

The largest manufacturer of LED indicators, LED light pipes, neon indicators and incandescent indicators.

CDI has expert engineers on staff, ready to help you with your design and reduce your time to market.

CDI has online ordering and thousands of parts in stock to help you with your prototyping and fulfillment needs.

INBOUND SALES USA

Toll-Free: 1-800-777-7334 Email: sales@cdiweb.com

Northwest

AK, ID (West), OR, WA
(888) 734-9600 Toll-Free
